

Services & Pricing

Exactitude Bookkeeping Inc. — Bookkeeping simplified. All prices in CAD, before applicable taxes. Books closed by the 15th of each month. Year-end support is included in every bookkeeping package.

Ledger — Bookkeeping Essentials

Foundational monthly bookkeeping for small to mid-sized businesses. Five packages, from \$399/month. Each package builds on the one below it.

Package	Monthly fee	What's included
Starter Compliance	\$399/mo	Up to 2 accounts reconciled; up to 100 transactions/month; monthly P&L and Balance Sheet; year-end support included.
Structured Support	\$549/mo	Up to 3 accounts reconciled; up to 200 transactions/month; full monthly financial statements; A/R and A/P aging reports.
Operations Optimized	\$749/mo	Up to 5 accounts reconciled; up to 300 transactions/month; monthly reports with summary analysis; expense receipt automation and quarterly check-in.
Volume Streamlined	\$999/mo	Unlimited transactions (fair use); all active accounts reconciled; budget vs. actual reporting; monthly trend-analysis calls.
Process & Insight	\$1,499/mo	Class / location / department tracking; monthly variance analysis and commentary; custom KPI dashboards; dedicated account manager.

Sync — Remote Bookkeeper Suite

Real-time, in-house-grade bookkeeping for growing businesses. Five tiers, from \$1,999/month.

Package	Monthly fee	What's included
Core Remote Bookkeeper	\$1,999/mo	Up to 400 transactions/month; P&L, Balance Sheet and Cash Flow; weekly task summaries; QuickBooks Online Advanced with receipt automation.
Enhanced Workflow Support	\$2,499/mo	Up to 700 transactions/month; A/R and A/P workflow setup; vendor / customer aging schedules; receipt follow-up workflow.
Daily Process Partner	\$2,999/mo	Unlimited transactions (fair use); daily reconciliation; KPI dashboards (Fathom included); weekly video check-ins.
Fully Embedded Bookkeeper	\$3,799/mo	Personalized bookkeeping calendar; SOP creation and month-end close checklist; bi-weekly meetings; team collaboration.
Bookkeeping + Ops Control	\$4,999/mo	Multi-entity management and consolidation; segmented reporting; accrual and inventory workflows; senior-level dedicated bookkeeper.

Pulse — Advisory, Management Accounting & Consulting

Advisory, management accounting, and consulting for owners who want more than tidy books. Custom pricing depending on scope — quoted after a short discovery call.

Software Integration

Third-party app integration and automation, implementation and migration, data mapping and controls, systems and process consulting, training and documentation, and ongoing support. Scoped to your stack and quoted per project.

Payroll & Tax Filing

Priced separately from the bookkeeping packages, so you pay for exactly what you need.

Package	Price	What's included
Payroll Support	\$150/mo + \$10/mo per employee	Set up and run through QuickBooks Payroll, with payroll entries flowing into your books each month.
GST/HST Filing	From \$150/filing	GST/HST calculated and filed correctly, on time, every period.
Corporate Tax Return (T2)	From \$1,500/yr	Preparation and filing for incorporated businesses — a starting price, quoted on complexity.
Personal Tax Return	From \$200/yr	Personal returns for owners and self-employed professionals — a starting price, quoted on complexity.

Good to Know

- All prices are in CAD and exclude applicable taxes.
- Books are closed by the 15th of each month.
- Year-end support is included in every package; corporate and personal tax return filing is priced separately.
- Catch-up and cleanup bookkeeping is available with a minimum 12-month recurring engagement.
- Pulse advisory and Software Integration are custom-priced depending on scope.
